DIRECT SUPPORT OF NEW CHURCH AND SEMINARY BUILDINGS – SRI LANKA

Project # A10997-62704

The Ceylon Evangelical Lutheran Church (CELC) in Sri Lanka has recently overcome significant struggles. They have now begun to rebuild the church both spiritually and physically. This project provides for the construction of a new church building in Colombo. It will include administrative headquarters, seminary, schools, parsonages, and more. These buildings will provide for the church as it begins anew and for LCMS

missionary staff. They seek to help guide the church to a faithful confession of God’s word. The photo is of the site for the new seminary.
