## Mission Central Prayer Calendar

1. Pray for new believers who came from Muslim background, counting the cost of following Jesus. They are not quite ready to confess their faith in Christ because of persecution and separation from their family, relatives and friends. Please pray for F and Zh to grasp God's grace, power and promises, grow in their understanding of God's Words. H – Central Asia
2. We are starting a language center in order to reach youth in this Muslim community. Thankfully we have Christian teachers who are passionate to love their students.
