**DIRECT SUPPORT OF
IELC LUTHERAN SCHOOLS SUPPORT – INDIA**

Project # A16156-20701-777

For over 100 years, the LCMS has helped build schools for children in India. Many of the buildings are old and falling apart. The schools need significant repairs to roofs and bathrooms for the children. Due to recent regulations by the government of India, the schools will close without repairs. These schools provide an education and care for the spiritual well-being of these children. This project helps children in India to learn about their Savior, Jesus Christ.
