## Mission Central Prayer Calendar

I have to share an email I received while working on this month's calendar...PRAYERS FROM AFAR

"I see your note asking for prayer requests, and need to let you know that many of our prayers from Papua New Guinea are directed towards those of you in Nebraska and Iowa who are affected by the current flooding. We hear updates of raging, ice-jammed rivers, roads closed, bridges and houses washed away... and we see pictures of stranded cattle, houses standing in water. We are also reading the tributes to James Wilke, member at Christ Lutheran in Columbus, who lost his life attempting to help others. May God comfort his family.

I know that many of those who support LCMS mission work and workers, me included, are among those who are affected by the floods. This brings the distant news close to home. Please know that we are praying for your safety ... for courage and hope in the face of devastation ... for strength, resources, and willingness to begin and sustain what will be a long process of recovery ...

I pray that God's work will be done and trust that He will be glorified in ways we cannot now imagine as folks arise and respond to the immense challenges brought by the flooding.

May God grant all affected His peace and the certainty of His loving presence as they face each day. God will not fail them!

Praying from afar,  
A&JL – Papua New Guinea"
