13. Pray for the ladies I met today at the hair salon. All of us are "not from here" and though German was not the native language to any of us, when asked, I managed to explain I worked for the nearby church where we help kids, youth, and refugees. I told them God loves us so we love each and care for other. They all agreed this was true and smiles all around. Perhaps they will be curious about the big neighborhood church and stop by one day to hear the Good News. Living in the neighborhood we serve opens my eyes to how many people need to hear the saving Word of the Lord. Christiansen - Germany
14. Pray for the people of this area of town (Leipzig) where there are people who speak Russian, Vietnamese, Arabic, Farsi, German and other languages. All need to learn about Jesus. Christiansen - Germany
15. Pray for a German family whose unborn baby (due in the summer) has been diagnosed with ailments that make living outside the womb not probable. Comfort the parents and other siblings as they trust the Lord to gather this child to Himself. Thanks be to God this family believes in the Triune God and His promises that they will be together again, whole and perfect. Christiansen - Germany
16. Pray for GEOs that must leave the field after their (too) short stay. Pray that they might return or more people are sent to help the needed outreach to local Germans as well as refugees. All need to hear about the Savior! Christiansen - Germany
