

How does she do it!?

throughout the region. Moreover, she is also be working with LCMS missionaries throughout the Asia region to identify opportunities for responsible "mercy work" alongside our partner churches. Churches throughout Asia desire to reach out with the gospel while also addressing the practical needs of people and churches who struggle economically or socially. Aimee is honored and thankful to serve such important missionaries and their work. Even as she takes on this new "Mercy Manager" role, Aimee remains the CEO of the Cima Family! From making school lunches to carting loads of kids/bags/helmets/coffee on the motorbike (pic d), Aimee does her best keeps daily life running smoothly. This includes welcoming numerous visitors that pass through Cambodia. This month we welcomed three dear friends from Hanoi (two of whom were the girls' teachers at Concordia International School Hanoi) for a long weekend of family fun (pic c). We are so thankful for life-long friends who come and see us in our new "normal!"
