

Official Adoption Agreement For the

Direct Support of

**PASTORAL CARE FOR MISSIONARIES
(MONASTERY CONCEPT) - LAC**

Project # LM0007-65015

Provides ongoing missionary care, a place of rest and respite in the Dominican Republic, and training and continuing education for missionaries.

Missionaries leave their countries, travel thousands of miles to raise their salaries, establish themselves and their families in foreign countries all to preach the Gospel. After two years, they repeat the process of leaving their new home to strengthen their financial support, travel thousands of miles more, leave their field of service for 8 weeks, only to return back to their mission field. It is imperative to care for our

missionaries in body and spirit, as they undertake extensive travels and find themselves straddling different countries for the sake of the Gospel.

“The Monastery Concept,” or our way of thinking about care for missionaries, seeks to serve missionaries by giving them rest, study in the Word, time to worship and time to reconnect with regional leadership, so as to care for them and their families. The Monastery Concept provides a restful place for our missionaries in the Dominican Republic where they can rest from their travels and work and be strengthened, have the opportunity to have a chaplain serve them with the Word and encourage them, and provide for them to be in worship with others so that our Lord Jesus might serve them and strengthen them on the inner person for continued service to the Lord and His church. The Monastery Concept also provides both the initial and continued training for missionaries in the area of church planting, worship, family, mentoring, teaching the faith and reconciliation.
