

# Official Adoption Agreement For the

MERCY CENTER - DOMINICAN REPUBLIC

*Project # LM0011-65024*

The Mercy Center was dedicated in the Dominican Republic in October 2017, to assist LCMS missions in the Latin America Caribbean (LAC) region in the goal to train and encourage all members of the church – whether laity or church workers – to show love and mercy to one another and to their neighbors in close proximity to Word and Sacrament Ministry. The Mercy Center provides a spectrum of educational conferences, from personal witnessing and Christian reconciliation to family and community health and life issues. The Center facilitates disaster response training throughout the LAC region, working with LCMS Disaster Response to provide conferences led by volunteer educators and trainers from our missions and church partners in South America, Central America, and the Caribbean. When necessary, the Mercy Center serves as a collection and organization point for the distribution of essential supplies needed by families affected by seasonal hurricanes, flooding, earthquakes and other natural disasters.
