

Official Adoption Agreement For the

BOOKS, RESOURCES AND TRANSLATION— EAST AFRICA

Project # EA0014

“For everything that was written in the past was written to teach us, so that through the endurance taught in the Scriptures and the encouragement they provide we might have hope” (Romans 15:4)

As pastors and evangelists in eastern Africa continue to share the Gospel and plant more churches, there becomes a need for more pastors. This project helps provide books and resources for training men to become pastors and evangelists to share the news of Salvation through Christ and minister to the spiritual needs of a congregation and community. Materials that have been translated into commonly spoken languages become useful tools for pastoral care and education.
