### BIENVENIDOAS MIS AMIGOS! WELCOME MY FRIENDS!

I am pleased to be on this journey with you. October has been a month of learning, building relationships, and giving presentations. At the beginning of October, I began taking Español (Spanish) classes over Zoom with one of the teachers in the Dominican Republic. For those who may not know, Zoom is a video chat service. These classes have been four hours a week in one to two-hour increments. I had previously taken Spanish classes in high school, and some of what I had learned is starting to come back. There is still so much I need to learn before I become fluent in Spanish, but I am continuing to make progress. I have started to listen to music and to watch my favorite TV show, The Flash, in Spanish to help continue practicing while not in class.

I have continued to travel to many different congregations in Wisconsin and North Minnesota sharing how I will be serving the Lord and how God is already at

work in Puerto Rico. I am grateful for the brothers and sisters in Christ that I have had the privilege of meeting over the last couple of months.

As I continue my service as a missionary, I have learned a lot about trusting the Lord's Plan. Jeremiah 29:11-12 reads:

*For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future. Then you will call on me and come and pray to me, and I will listen to you.*

This is a season of trust. I am continually learning to put my full trust in God. I trust him, but the process of building my support network has strengthened my trust. I continually come back to those verses in Jeremiah as a constant reminder that I need to put my trust in the Lord. This is a good reminder no matter where you are in life, God has a plan for you.

**Iglesia Luterana Príncipe de Paz (Prince of Peace) in Mayaguez and Iglesia Luterana Fuente de Vida (Fountain of Life) in Ponce worshipped and had a BBQ together in Ponce to celebrate the reformation.**

These pictures are from the missionaries in Puerto Rico and I am excited to be with them soon.
