Puerto Rico

We had the opportunity to travel as a family to Puerto Rico in early December. Lizz led lettering workshops in Ponce and Mayaguez.

Blake worked with the missionary team in Puerto Rico.

While in Puerto Rico we had the privilege to attend the very first church service in the new Ponce church building.

EARTHQUAKES IN PUERTO RICO

On January 7th Puerto Rico experienced a 6.1 earthquake. The city of Ponce experienced severe damage, including our new church building. Blake went with the second team to help coordinate efforts and establish next steps for our church building and a temporary worship location.

Regional News

Our regional team met in Belize in early January to plan and discuss projects, churches, and countries in the Latin America and Caribbean Region.

Keep Us in Your Prayers

- Thanksgiving for God's continued grace, forgiveness, and protection in our lives.
- For protection and safety of our missionaries in the field and traveling.
- For Blake's upcoming travels to St. Louis and Belize
- For the missionaries who have just deployed to the field.
- That God continues to bring partners to support our missionaries and projects throughout the region.
- For continued strength and renewal as we face challenges both big and small.

DO NOT BE
DISCOURAGED.
JOSHUA 1:9
