

By the Numbers

Calling all number whizzes, mathematics masters, and statistical sleuths! It seems that as technology advances, so does the visibility of statistical analysis presented to us in various forms. I was recently pondering how to use the constant flow of graphics, charts, numbers, and statistics that I come across on a daily basis. What better way than to share them with you all, so you can get some insight as to how my work looks *visually*. The images and charts shown here all help me stay informed and carry out God's calling for me in the best way possible. Blessings to each of you, friends!

Looking to the future, the Ministry to the Armed Forces is ...

- Recruiting more LCMS pastors to serve as military chaplains to fill a desperate need for LCMS military chaplains to care for the spiritual needs of the men and women who selflessly serve our nation in the Armed Forces.
- Expanding Operation Barnabas to continue encouraging, training and supporting LCMS congregations who reach out with the Gospel of Jesus Christ to veterans in their communities.

Selected LAC statistics (just for fun!):

- 5 households currently in orientation (17 people)
- 146.5 lbs of checked luggage brought back from Christmas (mostly books for the Mercy Center)
- 319 days of pandemic lockdown in the Dominican Republic (as of 1/31/21)
- 1,837 books arriving in February by ship from the U.S. to be added to the seminary library
- 7 forms of the future tense in English, 4 in Spanish (according to the TEFL course I’m enrolled in)
- 4,596 people follow our Facebook page: LCMS Missions in Latin America & the Caribbean

Verse of the month!

“Cuando pases por las aguas, yo estaré contigo; cuando cruces los ríos, no te anegarán. Cuando pases por el fuego, no te quemarás, ni las llamas arderán en ti. Yo soy el Señor, tu Dios. Yo soy tu salvador, el Santo de Israel.”

Isaías (Isaiah) 43:2-3a
