

MCMILLERS HIT THE ROAD!!

Greetings in Christ! Since graduation from Seminary on May 21st, the McMiller's have been busy hitting the road support raising for our work in Europe! Our first stop was Trinity, Lowell in Northwest Indiana. A wonderful congregation that has generously supported my studies at seminary this past year. From there we made our way to Mission Central in Western Iowa to meet Old Missionary Gary. **What a trip! Like Disneyland for Lutherans!** There in Western Iowa Mission Central, I was able to give a presentation to a great group of Christians from all around the country. After being in Western Iowa, we swung back to Wisconsin where I was able to present and preach in the second oldest Lutheran church in Wisconsin- Immanuel, Mayville.

Everywhere we went we were received so well by the Lutheran brothers and sisters in Christ. Perhaps we even saw some of you reading this newsletter right now. Thank you to everyone who made this trip so pleasant. We can't wait to hit the road again!

Since so much of the work in Europe is online, I have been able to meet and even preach at the English Wednesday Zoom service (picture in the top right corner). For the English service we have people from Italy, Romania, Bulgaria and Greece in attendance. Many of the people who attend are also studying to become pastors through our Lutheran online curriculum out of Riga, Latvia. Such a great group of brothers and sisters in Christ! **I can't wait to be with them in person!**

As you may know, LCMS missionaries need to raise all of their own support. But that really is nothing new. From the 32 AD to 2021 AD the work of preaching the Gospel and proclaiming the resurrected Christ has been supported by the generosity of Christian brothers and sisters like yourself. **Any and all support can be sent to Mission Central and the enclosed Official Adoption Agreement.** Thank you for your prayers.

God's richest blessings!
