- 24... For our brothers and sisters in Cambodia. Since early spring 2021, there has been an ongoing and escalating outbreak of COVID-19 in the country, and in the past few days we've learned that the more contagious Delta variant has also been detected. In addition, the virus has now spread to the home villages of several of our CWF team members and local partners. Please pray for health, safety, and perseverance. JL – SE Asia

The hope and prayer is a healthier and deepening partnership moving toward approval of CWF's 2022 activity plan for work in this province, to include (God willing) a pilot program focused on training and support for early childhood teachers in rural areas, in addition to our team's ongoing work with rural primary schools to facilitate the HEAL program, which is focused on training local student advocates who will work toward long-term improvements in holistic health in their own communities. Pray for God's favor, guidance, and direction over the next few months, as we continue to discuss and plan. JL – SE Asia
