

Official Adoption Agreement For the

Direct Support of Mission Project

EECMY ALLIANCE MISSIONARY

Project ET0005-61715

“How beautiful upon the mountains are the feet of him who brings good news, who publishes peace, who brings good news of happiness, who publishes salvation.” (Isaiah 52:7)

As the Office of International mission continues her work of Spreading the Gospel, Planting Lutheran Churches, and Showing Mercy there continues to be additional requests for pastors from our partners. While the LCMS cannot immediately fulfill the requests from our national churches, the Evangelical Lutheran Church in Kenya (ELCK) has prepared men who can serve immediately in various areas of the church.

In LCMS International Mission, an alliance missionary is an ordained pastor from a partner church who receives a call from their church and is sent internationally as a missionary in coordination with LCMS International Mission. The pastor remains on the active roster of their church body. This project supports an ELCK missionary as he works with the theological library at the Mekane Yesus Seminary. His work will establish and fortify printed and digital collections, cataloging, and training for the library. Support for the library will give the students access to theological knowledge, better equip them to provide pastoral care within their ministerial contexts and enable pastors toward faithful stewardship of their national churches.
