

The Lehmans in Puerto Rico

Working, Unpacking, and Working!

Greetings to you all in the name of our Lord and Savior Jesus Christ!

We have been busy settling and working since our last update. Pastor Lehman was installed as missionary here in Puerto Rico. We have felt right at home joining this mission team. We are excited to be part of this group that is so dedicated to sharing Christ crucified with all!

In mid-September, our shipment finally made its way to our house!

Everyone was excited to see their long-lost stuff. Having our things makes this house more of a home. One step closer to being settled here on the island. We are thankful for all who have helped us in our transition! Especially our partner missionaries here on the island, and you! Thank you all for praying for us during this time.

At the beginning of October, we had our fall FORO for the mission here in Puerto Rico. This FORO was virtual, once again, due to the new travel restrictions. We look forward to the day when we can meet our FORO partners in person. We are hoping to do that soon. However, we had a good group join us by Zoom, and we thank the Lord for that. We were able to give updates on recent and future projects. We are blessed to have such a wonderful group of supporters. Please continue to pray for the members of this church and the mission here in Puerto Rico.

We, as a family, are doing well. The kids are working hard on their school studies. We are finding our rhythm. We are navigating so many changes in our lives right now. So, we are extremely grateful and amazed by all the love and support we have received from so many of you! Thank you! Please continue to pray for us and this beautiful church here in Puerto Rico! The peace of Christ be with you all!
