Please Pray...

- 1... For a short-term team assembled from various congregations serving in the Dominican Republic this month. EM – Latin America
- 2... For our city and for this country, including the leaders and decision-makers. Too many prayers to say... but He knows (Romans 8:26-28). SE Asia
- 3... For our congregation and for the larger Body of JC here, that we would have wisdom for how best to serve. SE Asia
- 4... This experience has been hard on the kids, especially John. Pray for good mental health and perseverance as we wait for reunions with friends, classmates, & teachers. SE Asia
- 5... Thanksgiving that our family's COVID test results have remained negative, and we have been able to avoid the 'COVID camps' (central quarantine facilities). SE Asia
- 6... For our good friends M, J, & K – currently staying in one of these quarantine facilities. SE Asia
- 7... Thanksgiving for using J for a recent message to our congregation on Hebrews 9 in early April, a very anxious and stressful time for many people here. Being reminded of the true freedom and lasting inheritance we have in JC was a gift for us all. SE Asia
- 8... For faith and courage for all our CWF team members as they go about the good work God has called them to do. SE Asia
- 9... For the gift of faith for C's parents and family members, and for their physical and mental well-being. SE Asia
- 10... For C and J– pray for an abundance of faith, hope, and love from the Lord and for each other. SE Asia
- 11... For stability in Sri Lanka. Because of food shortages and fuel shortages, and some political unrest, my planned trip there was cancelled. If I had gone, the pastors would probably not have been able to meet with me because longer distance travel is very difficult right now. I can't return to do any hymnal work until the situation is more stable. SR – S Asia
- 12... For my children; Luke 27, Mae 24, and her boyfriend Jerry 23. They all need to (re)connect with Jesus and His Church. BR – Taiwan
- 13... For my health. BR – Taiwan
- 14... For Sri Lanka, as the country is suffering with lack of fuel, daily power outages, soaring inflation, and governmental instability. There are many poor people suffering. The Ceylon Evangelical Lutheran Church has had to postpone elections and is finding it difficult to move forward with some of its plans. Thanks be to God, they are still able to minister to their people and share the Gospel which is most important. SM – SE Asia
- 15... For our church's archbishop, Jascar U, as he leads the flock. JC – Tanzania
- 16... For Jerry M, new LCMS missionary preparing to teach English in Tanzania. JC – Tanzania
- 17... For Emil, Ellie, and Ernie as they settle into college and work in the United States. JC – Tanzania
