### Cody and Aurelie Mock and Family, Our Missionaries to Latvia

Project #A10798-69496

Cody and Aurelie Mock serve the Lord through The Lutheran Church—Missouri Synod (LCMS) in Riga, Latvia. As IT project manager, Cody works alongside the Luther Academy in Riga and the mission team in Eurasia to provide support for various IT systems and services. He also helps identify and implement new technology solutions within the region’s projects and provides training for staff on how to use those technologies.

Cody is from Pella, Iowa, and his home congregation is St. John Lutheran Church in Oskaloosa, Iowa. He attended Iowa State University, where he earned a Bachelor of Science in Management Information Systems. Before

becoming a missionary, he held several roles in the industry, including help desk technician, web developer, assistant programmer and systems administrator. In his free time, he enjoys tinkering with electronics, fixing and restoring things, and brewing his own beer.

Aurelie was born in Tacoma, Wash. She holds a bachelor’s degree in international studies from the University of Nebraska Kearney. She worked for libraries in Kansas for several years before becoming a stay-at-home mother and homeschool teacher for their two daughters, Eva and Moriah. In her free time, Aurelie enjoys taking long walks, gardening, reading, learning languages and collecting books.

Pray for the Mock family as they serve in Riga. Ask God to help them successfully integrate into the community and serve Him to the best of their ability. Pray that God would give Cody wisdom to leverage technology in ways that help the mission team clearly communicate the Gospel throughout the region. Let us give thanks that the Mocks are serving God’s children in this part of the world.
