Direct Support of Mission Project

MISSIONARY DEVELOPMENT AND CARE

Project #AA0007-61413

"Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect." (1 Peter 3:15)

Our missionaries travel many miles in an effort to garner support, move their families to distant lands to share the Gospel, establish long-term relationships within varied cultures, and every two years return stateside to repeat the process. Missionary Development and Care provides education on spiritual issues missionaries encounter and identifies the tools employed to support and care for them into generations-long service on this field. Annual gatherings of LCMS missionaries in Africa provide an opportunity for focus on fellowship, continuing education, worship with Communion, counseling, and spiritual care. Provision is made for a gathering, host team, childcare and related activities.
